Peer Review Comment Responses - cg2.docx

. . . or blathering on!

I am going to be out of the office for a little bit (but will be checking messages) so I wanted to get you my ideas for the other responses that I didn't address last week. Feel free to use all or none of it!

The library was not able to borrow a copy of the ASME guidelines and I am not sure it is worth the \$175 to buy them. I asked an OSC if he knows of anyone who might have a copy and if I hear, I will let you know.
